REMARKS

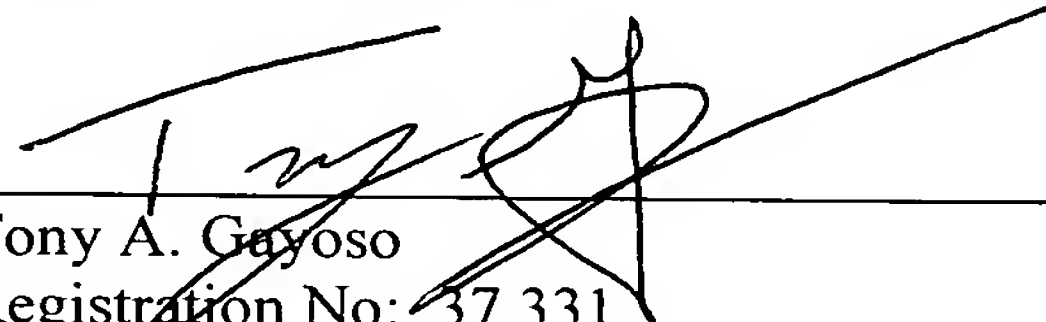

In the Specification, the paragraph beginning at line 1 at page 1 has been inserted to identify the international application. Also, in the Specification, headings have been inserted in accordance with U.S. practice.

Claims 1-25 have been amended to eliminate multiple dependencies so that all claims are singly dependent from previous claims, to eliminate reference numerals/characters and to further clarify that which applicant believes to be the invention.

No new subject matter has been introduced as a result of this Amendment. As a result of the present Amendment, Claims 1-25 are presented for prosecution. As a result of this Amendment no additional fees should be assessed because of filing multiple dependent claims.

Applicant respectfully requests that entry hereof and examination and favorable consideration are respectfully requested. Any questions regarding this matter should be directed to the undersigned.

Respectfully submitted,
